

### **Algorithm(s)**

- 19) Added a box “Patient is Actively Dying.”

### **Annotations**

The *Choosing Wisely* logo will appear in this document whenever a recommendation from a medical specialty society participating in the *Choosing Wisely* Campaign is in alignment with ICSI work group recommendations.

- 1) In this annotation language referring to the “actively dying” patient was moved to the new Annotation #19.
- 2) Additional scripting language was added to assist in initiating the conversation about Palliative Care.
- 5) This annotation regarding the cultural aspects of care was rewritten. Additional language was added.
- 9) More language was added regarding advance care planning.
- 10) In this annotation language referring to the “actively dying” patient was moved to the new Annotation #19.

### **Aims & Measures**

Measurement specifications were added to all the measures.

### **Appendices**

A new appendix was added that includes all of the current *Choosing Wisely* recommendations regarding Palliative Care.
